

# DUTCH EAST INDIES LOAN IS AWARDED

**W. P. HAMILTON QUIT  
FIRM OF MORGAN & CO.**

**Brother-in-Law of Present  
Head of House Retires.**

**Guaranty Company Successful  
Bidder for \$40,000,000  
New Bonds.**

The Guaranty Company of New York was advised yesterday by cable that it was the successful bidder for a loan of \$40,000,000 for the Dutch East Indies from a partnership in that firm. Mr. Hamilton is a brother-in-law of J. P. Morgan and has been a member of the firm since 1897. He is a great-grandson of Alexander Hamilton.

The announcement of Mr. Hamilton's retirement from the Morgan firm was not accompanied by information about his plans. During the war he had charge of details surrounding the heavy imports of gold sent to this country by the British Government for the purchase of supplies.

The distribution syndicate connected with the Morgan house, in 1882, Mr. Hamilton had been the treasurer and a director of the Manhattan Trust Company, the employ of which he entered in 1891 after leaving Yale College, from which he received the degree of Ph. B. A few years later he married Miss Juliet Pierrepont Morgan, a daughter of the late J. Pierrepont Morgan, of whose will he is an executor and of whose estate he is an executor.

Mr. Hamilton was born in this city in 1892 and is a son of William Gaston Hamilton. He is a member of the firm of Drexel & Co. of Philadelphia; Morgan, Harjes & Co. of Paris, and V. V. Grant, Greenwich, Conn., and a director of several large corporations and a member of the New York Stock Exchange. He has a large country estate at Sterlington, N. Y., known as Table Rock Farms. Among his many clubs are the Union, Knickerbocker, Metropolitan and New York Yacht, and he is also a member of the Sons of the American Revolution.

West Thirty-sixth street is in close proximity to the group of Morgan firms by homes about the northeast corner of Madison avenue and Fifty-third street.

## MOVED MORE TANK CARS.

The Empire Refineries, Inc., a subsidiary of the Cities Service Company, announced yesterday an increase of 37 per cent. in the number of tank cars moved during November compared with those of November, 1920, with products going into thirty-one States. Every branch of the refining and marketing organization is showing good gain. Building with outside companies increased 32.1 per cent. in November, and sales of the Cities Service marketing and public utility subsidiaries increased 47 per cent.
